SPEAKING INQUIRIES kelly@sinicropiventures.com

Choose the conversation

Keynotes, fireside chats, moderated panels and executive conversations. Discuss the audience, purpose and timing with the team.

01 Healthspan as Capital

FAMILY OFFICES / EXECUTIVES / FOUNDERS

- Recognize the difference between lifespan and years lived well.
- Explore a practical Executive Healthspan Operating System.
- Evaluate longevity opportunities with curiosity and disciplined skepticism.

02 The Next Chapter of Medicine

HEALTHCARE / INNOVATION / SCIENCE AND TECHNOLOGY

- Understand the questions driving regenerative and precision medicine.
- Separate emerging potential from established clinical evidence.
- Consider how innovation can support more thoughtful care.

03 Built to Thrive

CORPORATE TEAMS / LEADERSHIP / WELLNESS EVENTS

- Connect personal health priorities with sustainable leadership.
- Reframe recovery and mobility as part of long-term performance.
- Identify useful questions to bring to a personal healthcare team.

Five signature keynotes for different audiences and goals. Continue for leadership principles, physician-focused sales and event coordination.

Leadership and physician sales

Additional conversations for leadership, personal growth and corporations selling to physicians.

04 The Precision of an Extraordinary Life: Lessons from a Surgical Career

LEADERSHIP / PERSONAL GROWTH

Lessons from a surgical career, organized around four principles:

Aim - Define what matters and the direction you want to take.

Audit - Examine your choices, habits and alignment with what matters.

Sovereignty - Take ownership of your decisions and standards.

Room - Be very careful of the rooms you are in and those you create.

05 Quantum Selling Strategies

CORPORATIONS SELLING TO PHYSICIANS

A keynote on helping physicians buy, using quantum concepts as strategic metaphors for perspective, timing and relationships in the sales conversation.

Quantum language is used metaphorically, not as a claim of scientifically proven effects on buying decisions.

Production coordination checklist

Discussion points to agree with the team, rather than fixed requirements.

- [ ] **Event and audience** Date, location or virtual platform, audience and goals
- [ ] **Session format** Keynote or conversation, duration, Q&A and moderator
- [ ] **Production and access** AV, microphones, slides, stage setup and accessibility
- [ ] **Permissions and logistics** Recording, livestreaming, reuse, fees and travel
